## ABSTRACT

This report provides data about Tacoma Community College (Washington), including college mission, accreditation, enrollment, facilities and finance. Tacoma Community College is a comprehensive state-supported school serving more than 650,000 residents in the Pierce County areas of western Washington. The college maintains an open door admission policy and provides educational opportunities at the lowest possible cost consistent with acceptable standards of quality. The college provides a comprehensive curriculum including academic transfer education, occupational and vocational education, lifelong continuing education, international education, and developmental education. During 1999-2000 academic year, there were 5,443 full time students and 3,195 part-time students enrolled. While attending the college, 2,025 were employed full-time and 2,120 worked part-time off campus. Primary support services consists of activities providing primary support to instruction. The three major elements are academic computing services, ancillary support services, and academic administration. For fiscal year 1999, \$904,740 (5.1% of total expenditure) were used for primary support services. Instruction, which consists of the formal instructional activities provided for students, accounted for 47.5% of the total expenditure. (JA)

## Tacoma Community College Facts 1999-2000

### General Information

Tacoma Community College traces its roots to 1962, when residents of the Tacoma-Pierce County area elected to fund a local community college. The Tacoma School District No. 10 Board of Directors applied for authorization to the College in 1961 and received approval in 1963 from the Washington State Board of Education. The College opened in the fall of 1965 and was dedicated February 16, 1968.

Tacoma Community College is a comprehensive state-supported school serving more than 650,000 residents of the Pierce County areas of western Washington. The Tacoma Community College district includes all of Tacoma and the County portion of the Olympic Peninsula.

### College Mission

Tacoma Community College shall provide quality educational programs in a dynamic learning environment. The College shall be accessible, comprehensive, and flexible, and shall address the personal, professional, and social needs of its community.

To accomplish our mission, we

Maintain an open door admission policy.

TCC Downtown is located in the historic Betye Martin Baker Building, four blocks from the University of Washington Tacoma. As downtown Tacoma grows into a new business and cultural destination over the next decade, TCC Downtown is proud to take part in its revitalization alongside UWT, Union Station, the Washington State Historical Museum and other groups. TCC Downtown's 11,400-square-foot space includes six classrooms, a self-paced learning center, a business resource library and two computer labs. In addition to its continued emphasis on business and industry training, the center offers a variety of credit classes for students interested in university-level transfer.

The Gig Harbor/Peninsula College Center extends TCC's educational services to residents and organizations in Gig Harbor and throughout the Peninsula. It is located in a 13,000-square-foot facility built in 1995. Designed around a mall concept, the center features classrooms and laboratories opening into a central mall that also serves as a student activities and common area.

Established in 1995 as a unique partnership between education and business, the Tacoma Mall Learning Center extends TCC services into the heart of the community with classes and programs offered at convenient times. The Center is located in a 2,000-square-foot facility in Tacoma Mall. It offers a range of credit and non-credit programs including Worker Retraining, English-as-a-Second Language, computer courses, classes for youth, families and seniors, and business and industry seminars. The Center also offers business and organizational training programs that can be tailored to specific customer needs. Students can access a range of enrollment services at the Tacoma Mall Learning Center, including registration, cashiering, career counseling and financial aid information.

#### Definitions

##### **FTE**

**Student FTE:** One annual FTE is the equivalent of one student enrolled for 45 community college credit hours or 900 technical college contact hours in a year.

**Annual Teaching Faculty (FTE-F):** All instructional employees, whose main assignment is classroom teaching. The number of Teaching Faculty FTE-F represents the teaching, class preparation, student advising, and committee work of faculty. One FTE-F Teaching Faculty is equal to one instructional employee assigned to teach a full-time load of courses for nine months. A person assigned a half-time teaching load and a half-time load in a non-teaching area is counted as 0.50 FTE-F Teaching Faculty and 0.50 FTE-F Non-Teaching Faculty.

**Administrative Staff (FTE):** Includes all administrators exempt from the jurisdiction of the Washington Personnel Relations Board civil service system. One annual FTE in this category is equal to a full-time assignment for 12 months.

**Exempt/Professional/Technical Staff (FTE):** All other professional staff exempt from the jurisdiction of the Washington Personnel Relations Board civil service system. One annual FTE in this category is equal to a full-time assignment for 12 months.

**Classified/Technical College Support Employee (FTE):** Civil service employees who work

under a set of conditions determined by the Washington Personnel Relations Board or as support staff at technical colleges. One annual FTE employee is a classified employee whose service is performed on the basis of 40 hours per week for 12 months.

**Tenth Day FTE:** Excludes contract students such as International and fee-waiver students such as Space Available.

**Annualized FTE:** The four academic year quarters divided by three.

**S/F Ratio:** Student/Faculty Ratio - FTE students divided by FTE faculty.

#### FULL- AND PART-TIME STATUS

**Full-Time Student:** A student enrolled for 10 or more credits or 200 or more hours in a quarter.

**Part-Time Student:** A student enrolled for fewer than 10 credits or fewer than 200 hours in a quarter.

**Full-Time Faculty:** A person paid the full-time rate, regardless of the number of days worked, is considered a full-time faculty member.

**Part-Time Faculty:** A person who is paid on the part-time salary schedule is part-time. This includes hourly instructors, as well as the instructional effort of classified and non-faculty employees who teach beyond their regular workload.

**Full-Time, Administrative/Exempt Professional or Classified/Technical College Support Employees:** A person whose services are required on a full-time basis (for a 40 hour work week) for any period from 9 to 12 months is considered full-time.

**Part-Time, Administrative/Exempt Professional or Classified/Technical College Support Employees:** A person whose services are required for less than a 40 hour work week.

#### STAFF TYPE

**Moonlight:** An instructional assignment in addition to a full-time assignment for faculty and administrative personnel (generally the teaching of evening courses by full-time day instructors).

**Classified:** Classified Service covers all personnel in higher education institutions and related boards subject to the provisions of the higher education personnel law under Chapter 251 of the Washington Administrative Code.

#### FUNDING SOURCE

**State Funded:** Courses funded completely or in part by legislative appropriations of state funds plus student tuition.

**Contract Funded:** Courses funded by grants and contracts with external organizations. Includes Running Start and International Contract enrollments.

**Student Funded:** Courses funded entirely through fees charged to the students enrolled in them.

#### COURSE TYPE

**Academic:** Transfer and Vocational Support: Courses which provide the first two years of baccalaureate degree programs and which support vocational programs in such areas as math, science and English.

**Vocational:** Courses which prepare students for entry-level employment or provide retraining and upgrading for employed adults.

**Developmental Studies:** Courses which prepare students for college-level classes.

**Basic Skills:** Courses which enable adults to overcome illiteracy (ABE) or complete high school, or provide English proficiency to those whose native language is not English (ESL)

## FACILITIES

**Gross Square Feet - Buildings:** The sum of the enclosed floor areas of the building included within the outside faces of exterior walls for all stories.

**Assignable Square Feet - Buildings:** The sum of all areas on all floors of a building assigned to, or available for assignment to, an occupant, including every type-of space functionally usable by an occupant (excepting those spaces defined as custodial, circulation, mechanical, and structural areas).

## FINANCE

**Instruction:** This program consists of the formal instructional activities provided for students.

**Primary Support Services:** This program consists of activities providing primary support to instruction. The three major elements are academic computing services, ancillary support services, and academic administration.

**Libraries:** This program consists of activities related to the retention and display of educational materials, including library-media staff and materials, needed to support the learning needs of the students.

**Student Services:** This program consists of social and cultural services and institutional management activities related directly to students, but which are not part of formal instruction.

**Institutional Support:** This program consists of activities related to the financial and overall administrative functions of the college, excluding physical plant operations and maintenance. Included are controller, payroll, administrative data processing, purchasing, community relations and the top administrators of the college.

**Plant Operation and Maintenance:** This program consists of activities related to the operation and maintenance of college facilities, including utilities, janitorial services, and plant management.
